

CAMPEY™

Aeraseeder

The Campey™ Aeraseeders are a range of heavy-duty ‘2-in-1’ overseeders designed for overseeding greens, tees, sports fields & other similar fine turf surfaces, with minimal disruption to the existing sward. The unique angled coned rollers produce approx 1750 holes per sq. metre, and the rear mounted brush ensures that seed is swept into the holes created by the coned roller. The hopper has an internal agitator to ensure a smooth seed flow and a floating headstock ensures good contour following. Available in 2 working widths. The Aeraseeder can be supplied coned / coned or coned / flat roller.

Specification

Model	1200	1800	2400
Working width	1.20m	1.80m	2.40m
Overall working width	1.30m	2.10m	2.67m
Hopper capacity	0.17m ³	0.42m ³	0.56m ³
Weight (empty hopper)	209kg	583kg	635kgs
Spike length	38mm	38mm	38mm
Roller perforations	1750 holes / m ²		
Options	Rear platform and brush (with coned spike roller)		

Campey supply market leading, innovative turf care machinery worldwide, we're continually researching new techniques and refining existing practices to help turf care professionals achieve perfection.
