D60 Box Scraper

Specifically designed for mounting behind bunker rakes, the D60 lightweight box scraper is perfect for construction and shaping. The compact unit is ideal for moving and shaping small volumes of material and for the final levelling of the surface.

Specification

Working width	1.50m
Approx weight	45kg

Campey supply market leading, innovative turf care machinery worldwide, we're continually researching new techniques and refining existing practices to help turf care professionals achieve perfection.
