

CK2810

KIOTI Compact Utility Tractor

New Compact design

Compact but more Powerful CK2810 comes with new streamlined hood design, which improves visibility and service ability of the operator. A vertical opening hood allows for easy access to the air filter, fluid service, use box and electrical components for inspection.

Powerful Environmentally Friendly Engine

The Powerful Environmentally Friendly 28hp 'Green' Engine will offer operator quietest, smoothest but most powerful working condition.

Foldable ROPS

The standard foldable ROPS makes it quick and easy to maneuver in low clearance areas.

Hydraulic 4WD

Front wheel driving is easily engaged by hydraulic clutch.

① Power Steering wheel

With hydraulic power steering, experience smooth responsive steering that requires minimal operator effort regardless of the task at hand.

② Illuminated Dashboard

The dashboard illuminates when the engine starts. The digital gauge package includes tachometer, fuel and temperature gauges along with low fuel and high temperature warning lamp.

CK2810

Specifications

MODEL		CK2810	
ENGINE			
Model		3A139LWB	
Type		3Cyl, in-line Vertical, Water-cooled	
Engine gross	HP	28	
Displacement	cc	1,393	
Rated revolution	rpm	2,600	
Fuel tank capacity	ℓ	25	
DRIVE TRAIN			
Clutch		Dry single	
Transmission		Manual	
Transmission Speeds		6F 2R	
Differential lock		Rear	
Brake		Wet disc type Transmission	
Rear PTO	rpm	540/750	
Mid PTO	rpm	2,000 (Opt.)	
HYDRAULIC SYSTEM			
Pump capacity	lpm	42.9	
3-point hitch		Category I	
Maximum lifting capacity	kg	739	
Hydraulic lift control system		Position control	
Steering		Power Steering	
TIRE SIZE			
AG Tire	Front	7-12	
	Rear	11.2-16	
TRAVELING SPEEDS			
Forward	km/h	0-17.15	
Reverse	km/h	0-12.01	
DIMENSIONS			
Overall length(including 3-pt hitch)	mm	2,790	
Overall width(minimum tead)	mm	1,250	
Overall height(from top of ROPS)	mm	2,108	
Wheelbase	mm	1,520	
Min. ground clearance	mm	330	
Tread	Front	mm	989
	Rear	mm	950
Weight with ROPS	kg	1,025	

*NOTE : Specifications and design are subject to change without notice.

Standard Equipment

- Double acting valve(1ea)
- Hydraulic Power Steering
- Folderble ROPS
- Differential lock(rear)

Optional Equipment

- Front weights
- Working lamp
- 7-Pin Connector
- Mid PTO
- Rear Hydraulic valve

Attachments

- Premium Front Loader
- Front Loader
- Mid Mount Mower
- Front PTO
- Front Linkage
- Rotary Tiler
