

Fairway Roller Ultra 10

Smithco's Fairway Roller Ultra 10 has a unique three-section, flexible roller frame, allowing the rollers to follow the natural undulations of your course, ensuring a uniformly smooth surface. Capable of covering a 10 ft (3 m) wide area in one pass, this roller significantly reduces maintenance time, saving you time and money.

• **UNMATCHED VERSATILITY**

Experience versatility redefined with the Fairway Roller Ultra 10. Its adaptable design caters to diverse turf conditions, delivering consistently smooth fairways.

• **ADVANCED CONTROL**

Master precision with the Fairway Roller Ultra 10. Equipped with advanced control features, it offers unparalleled maneuverability for flawless turf maintenance.

• **EFFORTLESS OPERATION**

Simplify your maintenance routine with the Fairway Roller Ultra 10. Its user-friendly interface and intuitive controls ensure effortless operation, enhancing productivity.

• **SUPERIOR PERFORMANCE**

Elevate fairway quality with the Fairway Roller Ultra 10. Engineered for excellence, its cutting-edge technology and robust construction deliver superior results with every pass.
